Dear Friends and Colleagues,

During the first week of the war there was an attempted to abuse our domain [www.rpa-port.com](http://www.rpa-port.com).

Our safety precautions worked very well and our domain immediately froze to hold state.

Following extensive security checking, our domain was released.

Due to extra safety measures, we have decided to switch to our contingency (fall back) domain [www.rpa-port.co.il](http://www.rpa-port.co.il)

All our personal and cluster emails are now working the same, but domain is **@rpa-port.co.il**

Air freight	<a href="mailto:aviation@rpa-port.co.il">aviation@rpa-port.co.il</a>
Sea freight	<a href="mailto:frdsea@rpa-port.co.il">frdsea@rpa-port.co.il</a>
